Some Key advancements of CWISAN: 2022

- **Formation of CWIS Thematic Working Groups Led by Jt. Secretary (reporting line of CWISAN)**
- **Policy Assessment on inclusive sanitation services and recommendations with Country Plan**
- **Capacity enhancement and Exposure**
 - Online Certified Course on CWIS (ASCI)
 - SaniTOur
- **CWIS Training Modules and plan to roll out through Government training Center NWSSTC**
- **WASH Regulatory Reform (based on WASH ACT 2022) : Towards the Design of Effective Regulatory Arrangements for WASH In South Asia**
- **Hands on CWIS Initiatives at Municipal Levels (IMIS, SOPs, Piloting Technologies,)**
- **Regional Collaboration to strengthen CWISAN (NFSSM Alliance, ASCI, ITN Buet...)**
